## SAFETY DATA SHEET

Regulation 330 Schedule 7 as per Safe Work SA WHS Regulations

Product: GW464

### Section 1. Identification

**Product Name:** GW464  
**Other Names:** 5702-02-02  
**Product Use** Candle making  
**Chemical Family:** No data available  
**Chemical Formula:** Unspecified  
**Chemical Name:** Partially Hydrogenated Soybean Oil and Soy Based. Emulsifier (Monoglycerides) - Kosher Pareve  
**Product Description:** No Data Available

**Contact Information:**

**Company name:** Budget Depot  
**Company address:** Address: 3 Woodlands Terrace, Edwardstown 5039  
**Email address:** [hello@budgetdepot.com.au](mailto:hello@budgetdepot.com.au)

### Section 2. Hazards identification

Poisons Schedule (Aust):Not Scheduled

**Globally Harmonised System**

**Hazard Classification:** Not classified as hazardous according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS).

**Signal word:** NONE. Not hazardous.

**National Transport Commission (Australia)**

Australia Code for the Transport of Dangerous Goods by Road &amp; Rail (ADG Code)

**Dangerous Goods**

**Classification:** NOT Dangerous Goods according to the criteria of the Australian code for the Transport of Dangerous Goods by Road & Rail (ADG Code).

### Section 3. Composition/information on ingredients

Partially Hydrogenated Soybean Oil and Soy Based Emulsifier (Mono-glycerides) - Kosher Pareve

### Section 4. First aid measures

**Description of first aid measures**

**Ingestions:** If swallowed, do not induce vomiting. Get medical attention. Never give anything by mouth to an unconscious person.

**Eye:** Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

**Issue date: 17/07/2025**  
**Version: 2 (11/12/2020)**

## SAFETY DATA SHEET

Regulation 330 Schedule 7 as per Safe Work SA WHS Regulations

**Product:** GW464

- Skin:** Wash affected area with soap and water upon contact. Remove contaminated clothing. If irritation develops, get medical attention. *In case of burns, seek medical aid urgently if:* The burn is deep, even if the patient does not feel any pain. A superficial burn is larger than a 20-cent piece. The burn involves airway, face, hands or genitals. You are unsure of the severity of the burn
- Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen, Get medical attention immediately.
- Advice to Doctor:** Treat symptomatically based on judgement of doctor and individual reactions of patient. Immediate medical attention may be required for extensive thermal burns from hot wax. No medical attention normally required for exposure to ambient temperature material.
- Medical conditions generally aggravated by exposure:** Inhalation of product may aggravate existing chronic respiratory problems such as asthma, emphysema or bronchitis. Skin contact may aggravate existing skin disease.

### Section 5. Firefighting measures

**Suitable (and unsuitable)**

**extinguishing media:** Use dry powder, foam, carbon dioxide for extinguishing. DO NOT USE WATER TO EXTINGUISH.

**Special Firefighting Procedures:**

Cool containers exposed to flame with water. Limit the spread of oil. Treat as an oil (edible fat) fire. Use air supplied equipment for fighting interior fires. DO NOT USE WATER TO EXTINGUISH.

**Unusual Fire and**

**Explosion Hazards:** As with all unsaturated fats and oils, some porous materials such as rags, paper, insulation or clay when wetted with this product may undergo spontaneous combustion. Keep such wetted materials well-ventilated to prevent possible heat build-up.

### Section 6. Accidental release

Absorb onto an inert, absorbent substrate and sweep up. Wash area with soap and water. Floors will be slippery; take precaution.

### Section 7. Handling and storage

- Safe Handling:** Avoid direct or prolonged contact with skin and eyes. Avoid breathing oil mist.
- Storage Requirements for stage areas and containers:** Store in an area that is cool, dry, and well ventilated.

## SAFETY DATA SHEET

Regulation 330 Schedule 7 as per Safe Work SA WHS Regulations

Product: GW464

### Recommended

handling temperature: Refer to heating instructions

### Section 8: Exposure control/personal protection

#### Introductory remarks

These recommendations provide general guidance for handling this product. Because specific work environments and material handling practices vary, safety procedures should be developed for each intended application. While developing safe handling procedures, do not overlook the need to clean equipment and maintain and repair equipment. Waste resulting from these procedures should be handled in accordance to the section entitled Disposal Considerations.

#### Exposure limit/Guidelines

Engineering controls are usually not necessary if good hygiene practices are strictly followed. Respiratory protection is generally not required during normal operations. Wear the following to prevent skin contact: work pants, long sleeve work shirt, and work gloves. Where there is the danger of eye contact, wear splash proof goggles.

Threshold Limit Value: Not Available

#### Work Practice Controls

Personal hygiene is an important work practice exposure control measure and the following general measures should be taken when working with or handling this material:

1. Do not store, use, and/or consume foods, beverages, tobacco products, or cosmetics in area where this material is stored.
2. Wash hands and face carefully before eating, drinking, using tobacco, applying cosmetics, or using the toilet.
3. Wash exposed skin promptly to remove accidental splashes or contact with this material.

### Section 9: Physical and chemical properties

|                                    |                                  |
|------------------------------------|----------------------------------|
| <b>Appearance:</b>                 | Creamy white flakes              |
| <b>Odour:</b>                      | Characteristic, bland, fatty oil |
| <b>Boiling point:</b>              | Not available                    |
| <b>Melting Point:</b>              | 54-56°C (Typical)                |
| <b>Specific Gravity:</b>           | (H2O=1) 0.698-0.921              |
| <b>Particle Size Distribution:</b> | Not applicable                   |
| <b>Vapour Pressure:</b>            | Not available                    |
| <b>Partition coefficient:</b>      | Not available                    |
| <b>Water Solubility:</b>           | Insoluble                        |
| <b>Surface Tension:</b>            | Not available                    |
| <b>Auto Ignition Temperature:</b>  | >250°C                           |
| <b>Flammability:</b>               | Not available                    |
| <b>Flash point:</b>                | >200°C                           |
| <b>Dissociation constant:</b>      | Not available                    |
| <b>Peroxide Value:</b>             | 1.0 MAX                          |
| <b>Free Fatty Acids:</b>           | 0.05 MAX                         |
| <b>Evaporation Rate:</b>           | Not available                    |

Issue date: 17/07/2025

Version: 2 (11/12/2020)

## SAFETY DATA SHEET

Regulation 330 Schedule 7 as per Safe Work SA WHS Regulations

**Product:** GW464

**Water Reactive:** No

**Other information:** No additional information available

### Section 10: Stability and reactivity

**Stability:** This material is stable under normal conditions described in that section.

**Incompatible materials and condition to avoid:** Extreme heat, cold or direct fire.

**Hazardous decomposition Products:** CO, Co2

**Hazardous Polymerisation:** Will not occur

### Section 11: Toxicological information

#### Information on toxicological effects

|                                                            |               |
|------------------------------------------------------------|---------------|
| <b>Acute Toxicity:</b>                                     | Not available |
| <b>Skin corrosion/irritation:</b>                          | Not available |
| <b>Serious Eye Damage:</b>                                 | Not available |
| <b>Respiratory or skin sensitisation:</b>                  | Not available |
| <b>Germ cell mutagenicity:</b>                             | Not available |
| <b>Carcinogenicity:</b>                                    | Not available |
| <b>Reproductive toxicity:</b>                              | Not available |
| <b>Specific target organ toxicity: (single exposure)</b>   | Not available |
| <b>Specific target organ toxicity: (repeated exposure)</b> | Not available |
| <b>Aspiration hazard:</b>                                  | Not available |
| <b>Potential health effects:</b>                           | Not available |
| <b>Inhalation:</b>                                         | Not available |
| <b>Ingestion:</b>                                          | Not available |
| <b>Skin:</b>                                               | Not available |
| <b>Eyes:</b>                                               | Not available |

**Persistence and degradability**  
Readily biodegradable.

### Section 12: Ecological information

#### General information

|                                       |                       |
|---------------------------------------|-----------------------|
| <b>Toxicity:</b>                      | Not available         |
| <b>Persistence and degradability:</b> | Readily biodegradable |
| <b>Bio-accumulative potential:</b>    | Not available         |
| <b>Mobility in soil:</b>              | Not available         |
| <b>Other adverse effects:</b>         | Not available         |

**Issue date: 17/07/2025**  
**Version: 2 (11/12/2020)**

## SAFETY DATA SHEET

Regulation 330 Schedule 7 as per Safe Work SA WHS Regulations

**Product:** GW464

### **Persistence and degradability**

Readily biodegradable.

### **Section 13: Disposal considerations**

#### **General Information**

Waste may be disposed of by a licensed waste disposal company. Follow local, state and federal disposal regulations.

#### **Precautions for disposal**

Product and packaging should be disposed of in accordance with the local, state and federal regulations.

### **Section 14: Transport information**

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| <b>UN Number:</b>                | Not available                                                               |
| <b>UN proper shipping name:</b>  | Not available                                                               |
| <b>Transport hazard classes:</b> | Not hazardous according to RID/ADR, GGVs/GGVE, ADN, IMDG, ICAO-TI/IATA-DGR. |
| <b>Packing Group:</b>            | Not available                                                               |
| <b>Environmental hazard:</b>     |                                                                             |
| <b>Marnie Pollutant:</b>         | No                                                                          |

### **Section 15. Regulatory information**

**Industrial safety and health law:** Not available

**Toxic Chemical control law:** Not available

#### **Dangerous substance safety**

**management law:** Not available

**Wastes management law:** Not available

#### **Other regulations in domestic and foreign countries**

Observe prescribed federal, state, and local measures for dealing with chemicals listed on EINECS (EU), TSCA-CSI (USA), DSL (Canada), AICS (Australia), ENCS (Japan), ECL (Korea), PICCS (the Philippines) and IECSC (China).

### **Section 16. Other information**

This information presented here is believed to be accurate and pertains only to the product when stored in a sealed condition, as prescribed above, the information is to our best present knowledge correct and complete and is given in good faith but without warranty. It remains the user's own responsibility to make sure what information is appropriate and complete for his special use of this product. Manufacturer shall in no way be liable for any claims, losses and damages of any third party, or for lost profits, or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, from the use of this product.
